12 January 1956

MEMORANDUM FOR: Chief, Medical Staff

STAT

ATTENTION:

SUBJECT: Medical Support/Project AQUATONE

STAT

Following [redacted] call on 4 January, relative to making members of the Medical Staff available to us during January and February, we have reviewed our requirements for medical support and find that our staffing problems are, for this period at least, resolved. If, following this time, we find that our requirements have changed, we will contact you again. Your help and interest in this matter are greatly appreciated.

JAMES A. CUNNINGHAM, JR.  
Director of Administration  
PCS/DCI
